RULING

The Building Department shall be given not less than twenty-four hours' notice before the demolition of any building or structure is commenced.

In demolishing any building or structure or part thereof, story after story shall be completely removed. No material shall be placed upon a floor of any building in the course of demolition; the bricks, timbers and other parts of each story shall be lowered to the ground immediately upon displacement. The material to be removed shall be properly wet to lay the incident to its removal.

When any building or structure over 40 feet in height is demolished, a shed covering shall be provided.

To complete the responsibility of the demolition firm and/or the owner the area shall be graded with well-compacted fill.
